Horizontal Tank

Makoro Tank Technologies is a Botswana based manufacturer of Roto molded products. All our products are made with high quality materials using the latest roto molding technologies and machinery assuring you of the highest quality manufacturing standards from start to finish.

We take pride in our products and care about our customers, that is why we use the Eco Friendly 100% virgin material that has UV8 to manufacture our products, no recycled material is used in any of our products.

Each tank and product goes through very strict quality controls before it leaves the premises. Makoro Tanks would like the end-user to have the knowledge that they are buying a superior product designed for the harsh Southern African weather and environmental conditions.

Thank you for your interest in the range of Makoro Water Tank Solutions.
